SECRET RELATIONSHIP BETWEEN NAZISM AND ZIONISM

Hitler in office Jan 1933 had immediate goal of finalizing the 'Haavara' (moving home) Agreement with World Jewish Agency (active to 1942). Hitler's Treasury paid for emigration of Jews saving the World Jewish Agency from Bankruptcy with 139,6 Million Reichsmarks + Far more spent on equipment & fuels sent to Palestine for Jewish settlers.

While Jewish students were evicted from German schools the Jewish Agency set up schools in Germany for Jewish students & brought in Jewish Teachers from Palestine paid for by the Nazis and with NO interference on teaching curriculum. Plus Nazis funded Jewish Schools set up Adult training programs to prepare the Jewish youth for life in Palestine. A practice (first) Kibbutz farm was set up in Germany.

1933-34 GOEBBELS HAD A SPECIAL GERMAN COIN MINTED TO CELEBRATE ZIONISM & it had a Star of David on one side and a Swastika on the other side. Mildenstein, SS Office for Jewish Affairs, travelled to Palestine for 6 months accompanied by Zionist officials & spent time at Kibbutz Farms. ZIONISTS THANKED GOEBBELS FOR THE 'RACE LAWS' OF 1935.

1935 Germany introduced strict race separation laws and the Head of Germany's Zionist Movement Mr Georg Kareski gave an interview said he had been trying for years to find a method to keep the two races (Germans & Jews) separate, and he said the race laws supported the Jewish desires as the Jews had been struggling against assimilation for nearly 2000 years.

1936 A growing enormous opposition to the Haavara Agreement came from powerful Jewish circles in the USA. Many of European Jews were extremely rich and powerful and they had started to use their influence to sabotage the Haavara Agreement. They set up armed resistance and agitator groups to fight against Hitlers idea. They also spread fabricated 'atrocity' propaganda about how badly Jews were being treated in Germany. This propaganda was designed to swing world opinion against Hitlers Haavara Pact.

Arabs were so concerned by the close co-operation between the Nazis & Zionists that they became convinced that Hitler must be a Jew who was just trying to establish a Jewish State throughout the Middle East.

By 1941-42 Hitler had second thoughts about setting up a Jewish Nation State and sending thousands of Jews to that State to create Jewish forces & money to use against Germany, but the Haavara Agreement continued right on into WW2 to at least 1942. Hitler wanted young and healthy Jews to work for their food and lodgings in factories and eventually resettle in Western Russia south of Minsk until after the war finished.

Shortly after Samuel Untermeyer's return to the U.S. from Germany in 1933, articles appeared on the front page of newspapers in London and New York declaring that "Judea declares war on Germany." This resulted in an effective boycott of German goods in many countries, significantly affecting German exports. The agreement was partly inspired by this boycott which appeared to threaten the Reich.

The Agreement between Nazi Germany and an organization of German Zionists in 1933 was to exchange 60,000 German Jews and their assets voluntarily as the immigrated to Palestine prior to the Third Reich implemented expulsion. The Zionist-Nazi agreement was motivated by a sweeping, worldwide economic boycott of Germany by Jews.

Controversy within the Zionist movement over the agreement "tore apart the Jewish world in the pre-World War II era". A major conflict between German Zionists-descended Jewish communal leaders in the US, who argued for the agreement, and, on the other side, the mainstream Eastern European-descended American Jewish Zionist leaders who opposed the agreement and argued instead for a full boycott of Nazi Germany.

Historian Richard S Levy wrote that Black had a, "drastic overestimation of the political and economic efficacy of the boycott weapon." Levy also called Black's work "conspiracy theory."

Swiss banks conduct during WWII shows Swiss banksters (many Rothschilds linked especially the BIS formed in 1930 where Banksters funneled large amounts of funds to help both sides and specifically to help the Nazis. These ZIO-NAZI BANKSTERS helped fund the Nazi war effort by accepting gold and other assets and laundering the money into currencies that Germany could use to buy material.

Swiss banks also accepted looted property that was being held for top Nazi officials.

Intrigue in Switzerland as spies from the Allies and Axis powers alike used the country as a central place to glean information about their enemies, and where, toward the end of the war, German leaders looked to arrange a separate peace with the West.

ORIGINAL COVER OF THE ABBAS BOOK FROM Ynetnews

Click for Source Article on SECRET ZIO-NAZI RELATIONSHIP (https://en.wikipedia.org/wiki/The_Other_Side:_The_Secret_Relationship_Between_Nazism_and_Zionism)

1984 Book “The Other Side: the Secret Relationship Between Nazism and Zionism” by Mahmoud Abbas on connection between the Nazis and the Leaders of the Zionist Movement

#1 Zionist exaggerated the Nazi-perpetrated Holocaust and 6 million figure = Abbas calls a “fantastic lie”.

#2 Jews that died under Nazis control were actually the victims of a Zionist-Nazi plot aimed to fuel vengeance against Jews and to exaggerate their mass extermination. Abbas states Jewish dead were actually the victims of a Zionist-Nazi plot, “The Zionist movement led a broad campaign of incitement against the Jews living under Nazi rule to arouse the government’s hatred of them, to fuel vengeance against them and to expand the mass extermination.” All to encourage more Jews to move to Palestine from Europe.

#3 Outlines the 1933 Haavara Agreement, in which the Third Reich agreed with the Jewish Agency to facilitate Jewish emigration from Germany to Mandate Palestine. The Third Reich agreed with the Jewish Agency to enable Jews to emigrate from Germany directly to Mandate Palestine.

#4 Number of “Jewish victims at only a few hundred thousand” under Nazi rule

Like all critics of Zionists Abbas was forced to recant some of the above in 2003 to be appointed the Palestinian prime minister.

2013 Abbas reasserted that “the Zionist movement had ties with the Nazis”. The Ma’an News Agency, in an interview in 2013, Abbas defended his doctoral thesis regarding the relationship between the Zionists and the Nazis and said he “challenges anyone who can deny that the Zionist movement had ties with the Nazis before World War II.”

The title of Abbas’ thesis is “The Connection between the Nazis and the Leaders of the Zionist Movement 1933–1945″ In this doctoral thesis, Abbas wrote, “It seems that the interest of the Zionist movement, however, is to inflate this figure [of Holocaust deaths] so that their gains will be greater… Many scholars have debated the figure of six million and reached stunning conclusions — fixing the number of Jewish victims at only a few hundred thousand.”

Abbas raised doubts regarding the existence of the gas chambers, quoting Robert Faurisson, on the nonexistence of gas chambers.

“The Zionist movement did not send any assistance, financial or otherwise, for the victims of Nazism and it did not allow any other side to provide any kind of aid. The Zionist movement concealed the information that came from within the ghetto walls and concentration camps, news that shed light on what was really happening. If it had to publish anything, it did so by questioning that information and diminishing its importance…Zionism adopted the Nazi selection principle, when it went to save Jews from the slaughter. It made itself the ultimate arbiter regarding Jewish life, deciding who deserves to live and who deserves to die.” “The Zionist movement did not make any effort to convince Western countries

to take in the Jewish refugees escaping the horrors of the Holocaust. It even placed obstacles I the way of efforts made by Christian groups or by non-Zionist Jews or a number of countries that saw fit to find a solution to this humanitarian problem." "All of this wasn't enough – the Zionist movement led a broad campaign of incitement against the Jews living under Nazi rule to arouse the government's hatred of them, to fuel vengeance against them and to expand the mass extermination."

— Mahmoud Abbas' book "The Other Side: The Secret Relationship Between Nazism and Zionism" (Billsan Publising House, Ramallah, 2011), based on his doctoral dissertation.
